# Let's Work Together

## ABOUT US

For 50 years, the Hinsdale Historical Society has been a local nonprofit organization dedicated to meeting its mission to bridge the past, present and future by engaging the community with history and architecture. Each year, staff, volunteers, donors, and members work together to develop and support educational programs, exhibits, and resources that depict and share the memories and stories of Hinsdale's rich history. The proceeds of the Hinsdale Kitchen Walk are the Hinsdale Historical Society's life blood in fulfilling this mission and in preserving and operating its three historic properties:

- The Hinsdale History Museum, housed in an 1874 Italianate-style home
- Immanuel Hall, a simple, carpenter Gothic style frame church built by residents in 1900
- The R. Harold Zook Home and Studio, a unique cottage designed and built in 1924 by this prominent local architect

The Hinsdale Kitchen Walk not only funds the Hinsdale Historical Society, it also demonstrates the importance of history and architecture.

## SPONSORSHIP

The Kitchen Walk fundraising event will be held on May 8, 2026. Ticket holders will have the opportunity to tour the first floors of several Hinsdale homes, which showcase timeless renovations and design.
